SN-31

A square wallpaper sample with a light green and grey geometric pattern. The pattern consists of multiple lines forming a central star-like shape with eight points, set against a background of fine, repeating geometric motifs.

SN-32

A square wallpaper sample with a brown and tan geometric pattern. It features a central star-like shape with eight points, similar to SN-32, but with a more textured, wood-grain-like background and slightly different line thicknesses.

SN-33

A square wallpaper sample with a light beige and tan geometric pattern. It features a central star-like shape with eight points, similar to the other samples, with a fine, repeating geometric background.
